Notation explanation from page 1 of fees:

1 This value is equal to the customer availability fee plus the equivalent flow rating of the water meter. The equivalent factor is obtained by dividing the American Water Works Association (AWWA) standard for flow rating of water meters by the AWWA standard flow rating for a 3/4 inch water meter. 2 Water taps larger in size than 3/4 inch shall be approved by the Public Services Director. Charges shall be developed from labor, materials, equipment used, plus 20 percent for overhead and insurance. 3 Sewer taps of a size larger than 4 inches shall be approved by the Public Services Director. Charges shall be developed from labor, material, equipment used, plus 20 percent for overhead and insurance. 4 Residences shall include owner occupied single family dwellings and manufactured homes located on occupant owned land. 5 This category shall include apartments, homes, or any other rental units. Also included are mobile homes located on rental spaces regardless of ownership. 6 Shall consume less than 20,000 gallons per month and may include institutions. 7 Relocating water services with no extraordinary circumstances. Requires review and approval by Public Services Director or Maintenance Supervisor. This fee will cover maximum relocate of water meter up to 10 ft. Any job over 10 ft. may require new tap on main line at current rate (2). 8 Relocating sewer services with no extraordinary circumstances. Requires review and approval of Public Services Director or Maintenance Supervisor. This fee will cover maximum relocate of sewer line up to 10 ft. Any job over 10 ft. may require new tap on main line at current rate (3). 9 Meter Exchange fee request by customer without reason or for meter damaged. 10 Temporary water & sewer service for residential clean-up or home inspection for sales. Service will be available for 10 days - includes first 1,000 gallons. Any consumption greater than 1,000 gallons used thereafter will be billed at normal rate. 11 Meter tested for accuracy by request of customer.
