

Business Resources for Overcoming COVID-19

Has your business been affected by COVID-19 or the Executive Orders to shutdown or modify your business operations? There are Local, State, and National resources being organized to help you!

In response to COVID-19, the City of Thomasville is suspending all water account disconnects due to non-payment of water and sewer bills. During this time, all customers need to have access to clean and safe drinking water and be able to practice good hand hygiene.

City of Thomasville has established a COVID-19 Business Resource website @ [Thomasville-nc.gov/residents/COVID-19](https://thomasville-nc.gov/residents/COVID-19)
If you want to list your business hours or changes in operations or have questions about city services, send an email to COVID19@thomasville-nc.gov.
City services are available via online, email, or phone, (336) 475-4210.

Davidson Co. Community College Small Business Center has resources - call Martha Larson (336) 224-4557 or DavidsonCCC.edu/sbc

Thomasville Chamber of Commerce is surveying businesses to determine your needs to get through this emergency
