Davidson County Public Library Suspends Curbside Services and Closes Book Drops

Lexington— April 1, 2020 — In an effort to slow the spread of the Coronavirus, Davidson County Public Library suspended curbside pick-up and closed book drops at each of their five locations in Lexington, Thomasville, North Davidson, Denton, and West Davidson effective March 30 at 5 p.m.

“We’re asking our patrons to hold onto the items they currently have checked out, continue to enjoy them, and return them once we are able to re-open,” said Sheila Killebrew, library director.

Killebrew also directed patrons to like and follow their local branches on social media to receive updates and remain engaged in library programming.

“We’re ramping up our online programming at each branch. These range from story times for children, video book reviews, virtual trivia night and crafting programs using household objects,” said Killebrew.

Davidson County Public Library staff will be on hand for phone calls between 8:30-5, Mondays through Fridays. Patrons calling outside of these hours may leave a message. Davidson County Public Library digital resources are available 24/7 and include educational and leisure materials such as e-books, e-audiobooks, e-magazines, video streaming and more. Go to bit.ly/DCPLresources for a listing of resources.

The mission of Davidson County Public Library is to provide resource and services for reading, thinking, learning, and living.
