

May 22, 2020

Interim Guidance for Restaurants sets an “Emergency Maximum Occupancy” for this restaurant establishment.

_____ 50% of the business’s stated fire occupancy capacity. Or,

_____ 12 customers for every 1,000 square feet of the location’s total square footage.

Customer limit for this location is _____.

The Order is in effect until further notice.

The following is also required:

- Tables & seating should be at least 6-feet apart for ALL dining.
- Each group sitting at a counter should be separated by 6 feet.
- Post signage reminding people of social distancing.
- Mark 6 feet of spacing in lines at high-traffic areas for customers.

This notice must be posted in a public location.
