

PUBLIC WI-FI ACCESS

Here is a map of Downtown Thomasville with key areas of Public Wifi access highlighted. While most of downtown is covered by this service we have highlighted the safest areas to park or use outdoor seating.

**Areas designated in the orange zones will connect via:
Thomasville Public Wifi**

**Areas designated in the yellow zones will connect via:
DavidsonCountyPublicWifi**

The wifi access points are free unsecure networks provided to the public by the Thomasville City Government and Davidson County Government.
